REPORT OF CONSERVATION COMMISSION

During 1971, thirty-three old cars were removed from the town. Water samples taken from various locations showed quality to be generally satisfactory.

The acquisition of the Foss Mountain property was completed and a gate was erected to prevent unauthorized persons from driving cars and motorcycles to the summit. We have also acquired, through the generosity of Mr. and Mrs. Keith Henney, approximately one hundred and seventy-five acres adjoining the Foss Mountain property.

The Town Forest has been surveyed and mapped and copies of the map are available. Aerial maps of the entire town were obtained and turned over to the Selectmen.
